

Microsoft/Family Match For Security Cameras!

www.dolphinforce.com

Help us take advantage of the opportunity to raise up to \$16,000

Dolphin Force Foundation has been provided with a terrific opportunity to raise funds for security cameras for Dana Hills High School by participation in a "Microsoft Family Match" program. Thanks to a generous Dana Hills family and Microsoft, we will be able to **DOUBLE** their donation which they have directed towards enhancing security systems. Please consider supporting this drive for security cameras, licensing, and operating software with a donation of **\$25.00** or more.

Fundraising Goal

To provide security cameras throughout the campus to provide a safe environment for our students. Currently our campus has fewer cameras than any other CUSD secondary school. These cameras will be used to provide deterrents to vandalism, for disciplinary action, and to monitor and ensure the safety and security of our students and campus.
